

Glenn Research Center

Principal Investigator (PI) Specific Hardware

- **Features**
 - Easily inserted/removed
 - Contains all PI Unique Hardware
 - Samples, ignitor, thermocouples.....
 - Connections made through Interface Resource Ring
 - 40 cm diameter
 - 60 cm overall length
- **Additional Required PI Hardware**
 - Gas bottles
 - Combustion by-product filters
 - PI specific diagnostics
 - Additional combustion material samples
 - PI-unique electronics
